ICRA TRAINING TAKES OFF

Letter from ICRA Board Member, Brian Wegner of Arnold Motor Supply

Last night I attended the NESHAP meeting at Scott Community college. We had an excellent turnout. Over 40 people. Dan Nickey was very informative and a lot of good questions were asked.

ICRA Education Chairman John Arnold has brought a new

enthusiasm to the training committee. He has brought ICRA training to a new level. I am hoping that this will bring in new members to a good organization. It looks like these training sessions will be a huge success.

Please everyone participate in these meetings and get the word out in your area- and Join the ICRA!!
